### Morning Workout

Let's clap hands, it's so exciting  
Pat our knees, it's so delighting  
Move our heads from side to side  
Right and left and all around.

What a pleasure, what a treat, to work out together  
Every day of the week it gets even better.

Wave our hands from side to side

Pat our knees, it's so delighting  
Move our legs, but stay right here  
Wave our hands to spread some cheer.

### The Bell

Listen to the bell  
As it rings ding-dong,  
It greets us with "good morning"  
As it sings its special song:  
"Good morning to \_\_\_\_\_" x6  
"Good morning" sings the bell to everyone.

##### Morning Comes

Every morning, off to school  
We all go, we all go.  
Every morning, at our school  
We meet our friends and say hello.

See the teacher, see our friends  
All together clap our hands  
And sing out a happy song  
This is where we belong.

##### The Rooster

"Cockadoodledo!"  
The rooster sings and crows,  
"It's morning so get up  
And go where you should go".  
It stretches out its neck  
And opens up its beak  
So it can crow "good morning"  
Crow and sing and speak.

Cockadoodle, cockadoodle, cockadoodledo  
Wake up everyone, we've got things to do.

##### Waking Up

In the morning when we wake  
We wash our face, our nose and chin.  
Dress and eat, and leave our home  
Meet a friend outside and grin.

Hold out our hand to them,  
The other hand as well.  
Dance around, the two of us  
Dancing is just swell!

##### I'm All Grown Up

I don't cry - I'm all grown up  
Say goodbye to Mommy - I am all grown up  
When I arrive at school  
I play with my friends,  
I know I'll see my parents  
When the school day ends.

I don't cry - I'm all grown up  
Say goodbye to Mommy - I am all grown up  
I can stay at school  
Without my Mom or Dad,  
I will tell them later  
About the fun I had.

### **Off to Kindergarten**

Every morning when I wake I know just what to do  
I put on my pants and I wear a clean shirt, too  
I know how to brush my teeth and wash my own face  
I can do it all by myself.

And then I'm off, I go to my school  
My kindergarten is the best, my teacher is so cool  
I meet all my friends and my teacher there  
I'd rather be at school than anywhere.

The sandbox waits for me to come play in the sand  
I swing on the swing-set, the fun just never ends  
I share at "Show and Tell", get along really well  
With the teacher and with all my friends.

And then I'm off, I go to my school...

### **A Delightful Day**

As the day begins  
We all go to school  
As the day begins  
The world looks pretty cool.

We won't shout or yell  
We'll treat each other well  
Be happy, learn and play  
Have a most delightful day!

We all shall be good friends  
Be kind and be polite  
Help out when we can  
Do our best not to fight.

As the day begins... Be happy day

### Breakfast is my favorite meal

Breakfast is my favorite meal  
Lots of things to eat and drink  
Eggs and cheese, a cup of juice  
Or a glass of chocolate milk.

Cereal or maybe toast  
Music on the radio  
Accompanies my morning feast  
I won't go before I eat.

Eat breakfast, eat breakfast, for a happy day!  
Eat breakfast, eat breakfast, for a happy day!

Pancakes are a special treat  
Maple syrup does the trick  
Stack them up all nice and neat  
Spread some butter – not too thick.

Breakfast is the way to start  
A new day – it's really smart  
To eat all that tasty food  
Feel so healthy, feel so good.

Eat breakfast, eat breakfast, for a happy day!  
Eat breakfast, eat breakfast, for a happy day!

### The Wardrobe Dance

When I choose the clothes that I will wear to school  
I want to look neat, to look cool  
I open up my closet, choose a pair of pants  
A shirt, some socks, a sweater – the Wardrobe Dance.

The outfit I wear should be just right  
Comfortable in blue or red or white  
I'll dress up fancy, when I have a chance  
But in the meantime I'll just do the Wardrobe Dance

Do the Wardrobe Dance  
With your skirts and pants  
Getting dressed is fun  
It starts the day for everyone

When I choose the clothes...

Sometimes I don't know what I should wear  
So first I go to brush my teeth and my hair  
And then I do the Wardrobe Dance again  
And the perfect outfit jumps into my hands

Do the Wardrobe Dance  
With your skirts and pants  
Getting dressed is fun  
It starts the day for everyone

### Good for You

The toothbrush is excited  
It waits for the morning  
That's when you will use it  
For your daily brushing.

Brush your teeth, brush left and right  
Keep your teeth all clean and white  
Keep them strong and healthy, too  
Brush your teeth – it's good for you.

The comb is so excited  
Practices its combing  
It wants you to use it  
To comb your hair each morning.

Comb your hair, blond, red or black  
If it's long then pull it back  
Maybe wear a ribbon, too  
Comb your hair – it's good for you.

The soap is so excited  
Waits for everybody  
Waits for us to use it  
To wash our hands or body.

Wash your hands everyday  
Keep the dirt and germs away  
And your hands will smell nice, too  
Wash your hands – it's good for you

### Wonderful New Day

What a wonderful new start  
Of a wonderful new day  
We'll laugh and sing and play  
Yes, we will enjoy our day.

Morning's here, the day starts  
With a new song in our hearts  
And the birds whistle away  
For a wonderful new day.

## מה עשינו בגן היום? 19

### What We Did at School Today

When we were at school today, we did many things.  
We had fun at school today, we'll tell you what we did.

We learned how to paint and draw,  
Drew a scarecrow full of straw.

When we were at school today, we did many things.  
We had fun at school today, we'll tell you what we did.

Swung on swings and slid down slides,  
In the sunshine played outside.

When we were at school today, we did many things.  
We had fun at school today, we'll tell you what we did.

Gathered our toys by ourselves,  
Put them neatly on the shelves.

#### Bedtime Blues

I don't like to go to sleep  
When I'm told.  
Please don't tell me that it's late  
And don't scold.  
I still have a lot to do,  
What can I say?  
I don't want to go to sleep -  
I want to play.

It's not very late  
And my bed can wait  
It shouldn't be a big debate.  
I want to read and play,  
I'm not done for the day,  
Please tell me that I may.  
"But it's a school night, go to sleep"  
My parents say.

I don't want to say good night  
To my toys  
I just want to run around  
And make some noise  
Well... I am a little sleepy,  
I'll admit  
Ok, I'll do as you ask  
I'll go to sleep.

It's not very late...
